Product : High Pressure Decorative Laminated Sheets
Size : 2440mm x 1220mm (8x4 Ft.)
Thickness : 1 mm (+/- 10%) (Other Thickness Available on Request)

Limited Warranty : Rebecca warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related Manufacturing Specification. It excludes damage resulting from accidents, abuse or lake of care, improper use and / or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. Rebecca Laminates are used for various applications, without possibility of control over the manufacturing of the finished product. The company does not assume obligations or liabilities arising from the Furnishing, Sale, Installation or Repair, use or subsequent sale of any product to any person or entity.

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm solution. Do not use detergents containing abrasive particles or excess soda.

Note :
 - Laminates are recommended for the indoor use only. Not to be exposed to direct sunlight.
 - The sample shown here only indicative of the color, patterns, finishes and not actual thickness.
 - It is advisable to view full laminate sheets for actual patterns before purchase.
 - Special thickness and finishes can be made available on request.

Do not use active acidic chemicals or sharp / wired brushes for cleaning the Laminates surfaces.

Cracking at corners & around cuts may be caused by improper conditioning, Improper bonding, poor planning. Avoid all these to prevent cracking at corners.

No claim will be entertained for cracking arising out of groove currying or L. shape .

Extra care required in vertical pasting of Laminated sheet as there is possibility of bubbles due to lack of uniform pressure.

Avoid Direct sunlight from the HPL Sheet These may cause to color fading due to UV Rays.

No claim will be entertained for air bubbles.
